M. Part B for Sept^r. 1900

SUBJECT.

Exchange of Cut silver coins
reduced in weight for current
coins.

ForWARDED
INDEXED
ON

Dewan's
SECRETARY'S OFFICE.

REVENUE BRANCH.

OFFICE NOTE.

SUBJECT.

Refusal by the Residents' Treasury to receive cut silver coins reduced in weight by reasonable wear in exchange for current coins.

LAST REFERENCE

Letter No. 7845 dated 12. 6. 99
from the Comptroller to the
Govt. of Mysore.

Docket No 1117 of 15. 3. 99.
enclosed in Comptroller's letter
No 7845 of 12. 6. 99.

On the 15th March 1899,
the Officer in charge of the
State Mysore Treasury
forwarded to the Residents'
Treasury cut silver coins,
reduced in weight by
reasonable wear, of the
total value of Rs 32/-
and requested payment
of their equivalents in
good coins. At first, the
Officer in charge of the
Residents'

Resident's Treasury refused to pay the equivalents of the cut coins on the ground of his not being authorized to do so. But subsequently, in his docket No 37^x of 12th April 1899, he stated that under the instructions of the Accountant General, Madras, the cut coins in question would be received at his Treasury as a special case and that no more coins cut by any of the Treasuries in Mysore would be received for exchange in current coin, as the provision of Article 57^xb of the Civil Account Code applied only to officers of the British Government and not to those of Native States. Thereupon, the Officer in charge of
the

Copy of this docket has not been forwarded but the substance of it is given in the Comptroller's letter of 17.4.99 to the Accountant General.

Extract put up separately

Docket No 11141 of 14.4.99.
enclosure to Comptroller's letter

4

the State Hurzur Treasury placed the matter before the Comptroller and requested him to issue the necessary orders to Treasury Officers of Districts and Taluks not to cut coins reduced in weight. The Comptroller, accordingly, issued a Circular, No. 1925 of 17-4-99, directing Treasury Officers, District and Taluk, to refrain from cutting Rupees and half rupees found to have lost in weight more than 2 per cent by reasonable wear. At the same time, he addressed^x the Accountant General, Madras, as follows:-

“^{or} x x x. In dealing with the receipt and issue etc of coins, both silver and copper, of British mintage, the provisions of the Civil Account Code (Chapter 29) have

^x Letter No. 6499 of 17-4-99.
Enclosed in Comptroller's letter.

have been followed by the Treasuries of the Mysore State before and after the rendition and the cutting of light weight Rupees and half rupees and the exchange therefor in current coins have not been hitherto objected to."

"2. District Treasury Officers in the Province have been this day instructed not to cut any more light weight coins until further orders. and to remit to State Huzur Treasury all coins already cut by them before receipt of these instructions."

"3. I beg therefore you will be so good as to instruct the Resident's Treasury to receive such coins and supply good ones in exchange."

"Light weight coins will
in

in future be remitted in into the Resident's Treasury."

In forwarding the above correspondence on the subject, the Comptroller states, in his letter No 7845 dt 12.6.99, — that as the privilege of exchanging cut light & weight for current coins carries no advantage but entails responsibility and labour on the Treasuries in Mysore, he has taken no further action in the matter.

The above letter of the Comptroller having been submitted to Secretary for orders, he called for the correspondence relating to coins produced before Criminal Courts. The said correspondence was submitted to him; whereupon he made the following note: —

"How does the above correspondence

* Order dt 24.6.99.

x dt 1.7.99.

correspondence affect the question now raised?"

With reference to the above query, it is respectfully submitted as follows:-

The question raised by the Comptroller relates to the cutting of light weight coins. But the other correspondence is on the subject of dealing with counterfeit coins which come before Criminal Courts under Sections 517, 523 & 524 of the Criminal Procedure Code.

The Govt of India is resolved in their resolution of the Finance and Commerce Department, No 217A dated the 17th March 1899, that the High Courts of the several Provinces should be moved to issue orders providing that counterfeit coins

Serial No. 1/a of J.F. 21-98-99

x Serial No 1 of J.F. 21-98.

coins coming before Criminal Courts as above should be cut or broken and forwarded to the mint at Calcutta or Bombay. etc. The 1st Asst. Resident forwarded, on the 12th April 1899, a copy of the said Resolution to this Office and requested that the Chief Court of Mysore might, if there was no objection, be moved to frame a similar rule. After some correspondence between the Registrar of the Chief Court and this office, the following rule of practice was approved by Govt^y in their proceedings No. $\frac{14155}{J 1724}$ 15th June 1899:-

x Serial No 7 of J.F. No 21-98.

or The Chief Court directs that when counterfeit coins come before any Criminal Court under the procedure prescribed in sections 517, 523 and

and 524 of the Criminal ^{Procs} Procedure Code (Regulation I of 1886), they shall be sent to the nearest Taluk or District Treasury which will remit the same to the Resident's Treasury, Bangalore, for being dealt with in manner following:-

6 When it can be done with the consent of the tenderer, counterfeit coins tendered to Treasury officers and others authorized to cut or break them under the provisions of section 16 of Act ~~XXIII~~ of 1870, should be sent to the Mint at Calcutta or Bombay. If the tenderer, however, does not consent to the counterfeit coin being sent to the Mint, unless the broken pieces are afterwards returned to him, the coin should not be sent at all.

If

5
It is, however, open to a Government officer, to whom such a coin is tendered in cases in which the tenderer is otherwise unwilling to part with it, to purchase it from him at a suitable price, not in any case exceeding its nominal value, charging its cost to Government.

This course should only be followed when from the excellence of the execution or for any other special cause, it seems desirable that the coin should be acquired as a specimen and the officer purchasing the same should, when forwarding it to the Mint, state at the same time the grounds upon which its purchase was considered desirable."

No express provision

Laid down in the above rule of practice regarding the cutting of ^{counterfeit} coins by the Treasuries in the State.

Section 16 of the Indian Coinage Act authorizes the cutting or breaking of ~~the~~ coins of the following description :-

- (1) Coins which have lost, by reasonable wearing, more than 2 per cent in weight.
- (2) Counterfeit coins
- (3) Coins reduced in weight otherwise than by reasonable wearing
- (4) Coins called in by any proclamation.

The officers who are authorized to cut or break coins under the above section are mentioned in Article 576 of the Civil Account Code.

In this Article, officers in charge of District Treasuries, Asst. Collectors, Deputy Collectors, Asst. Commrs and Extra Asst. Commrs in charge of Sub Treasuries are, among others, authorized to cut or break coins. The Officer in charge of the Resident's Treasury has intimated to the Officer in charge of the State Huzur Treasury that the said Article does not apply to officers of Native States. If so, Treasuries in the State will have simply to forward counterfeit coins to the Resident's Treasury for transmission to the Mint without cutting them. When the tenderer of the counterfeit coins consents

consents to their being sent
to the Mint, they may be
forwarded to the Resident's
Treasury uncut. But
when the tenderer does not
consent or wants the
broken pieces back, there
will be no necessity
to forward such coins
to the Resident's Treasury.
They will have to be cut
by the Treasury officers
to whom they are sent.
But if such officers are
regarded as not authorized
to cut or break coins,
fresh provision will have
to be made for authorizing
them to cut or break coins.

From

E. R. SUBRAYER, Esq.,

Comptroller, Mysore Govt.

To

The Secretary to the Govt. of Mysore,

Gen. & Rev. Dept.

Sir,

I have the honour to enclose copies of docket No. 1441 dated 14th. April 1899 with enclosures received from the Officer in charge of the State Huzur Treasury in re refusal by the Resident's Treasury to exchange light weight Rupees and half Rupees cut by the Treasuries in Mysore, for current coins on the score that the Civil Account Code article 576 applies only to Officers of the British Government and not to those of Native States. I addressed the Accountant General Madras in my letter No. 6499 dated 24th. April 1899 (copy enclosed) pointing out that the provisions of the Civil Account Code in this matter have been followed by the Mysore Treasuries before and after the rendition and no objection had been raised till now to exchanging good for cut light weight coins and that the Treasuries in Mysore have according to his direction, been instructed in future to remit such coins to the State Huzur Treasury uncut. A copy of my ~~letter~~ *letter* No. 1925 dated 24th. April 1899 on the subject is enclosed for information.

As the privilege of exchanging cut light weight for current coins, carries no advantage but entails responsibility and labor on the Treasuries in Mysore, I have taken no further action in the matter.

I have the honour to be

No. 161681

OFFICE OF THE COMPTROLLER OF MYSORE.

Bangalore,

10th. September 1900

From

E. R. SUBRAYER, Esq.,

Comptroller, Mysore Government.

To

The Secretary to the Govt. of Mysore,

General and Revenue Dept.

SIR,

137 With reference to Government Proceedings No. 1669/
Fl. 139 dated 20th August 1900, I have the honor to state that
the Accountant-General, Madras, on my further representation in
letter No. 1682/R. 162 dated 26th. September 1899 copy enclosed,
has permitted the continuance of the old practice of the Mysore
Treasuries cutting light weight coins etc.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

Copy of letter No.1682/R.162 dated 6th. September 1899 to the Accountant-General to the Government of Madras.

Final 1682

In continuation of my letter No. 1343/290 dated 12th. September 1899, I have the honor to state that under Article 583 of the Civil Account Code Vol. 1 and in pursuance of your ~~letter~~ instructions on the point, I have directed the Treasuries of the Mysore Government to receive coins that have lost in weight not more than 25% that may be tendered and pay for them at the rates prescribed in Article 583 and send them to the Resident's Treasury uncut for recovery of value paid by Mysore Treasuries.

I have however to request that you will be so good as to inform me as to the procedure to be followed by the Mysore Treasuries in regard to counterfeit coins and Silver coins that have lost in weight more than 25%. Are they to be cut and returned to the tender^{er}s or returned to them uncut?

The former course the Treasury Officers are not competent to follow, as according to your recent dictum, they do not come under the category of Officers who are authorised to cut or break coins under the provisions of Act xxiii of 1870 and should the latter, which is the only course which they can under the circumstances follow, be adopted such coins will continue to be in circulation and will be foisted on the innocent and ignorant public which I believe is not contemplated by the rules for the withdrawal of such coins promulgated by the Government of India in their Accounts and Finance Notification No. 1404A dated 24th. March 1899. An early reply is requested for necessary instructions on the point being issued to the Treasuries.

(Signed) E.R. Subroyer

Comptroller.
